Product price:

4,469.98 €

Product short description:

Internal dimension (cm): **360 x 175 x 15**

Capacity: **2755 kg**

GVW Min: **3500 kg**

GVW Max: **3500 kg**

Product description:

TPM35 LORRIES trailer has been designed for the safe and professional transport of construction machines (e.g. mini excavators), agricultural machines and for the transport of construction equipment. It is distinguished by medium dimensions with increased load capacity (thanks to the construction based on two axles). The trailer

has a solid structure. The supporting frame is a steel structure of increased strength, hot-dip galvanized. The floor is made of waterproof, non-slip plywood.

Standard Equipment

Two braked axles

Overrun device 3500 kg

Hot-dip galvanized construction

Wheels 185 R14C-8PR

Support wheel

Loading ramps

Wheel chocks
