DMC Min: **3500 kg**

DMC Max: **3500 kg**

Product description:

Twin axles trailer for a boat up to 30" long. Equipped with V- drawbar and has good drivability. Highest quality rollers, which reduce risk of damage. Tilted, robust rollers

system with soft keel rollers, 4 front super soft rollers, 1 more keel roller and one pair of two-way rollers to easy fit the boat. Hot-dip galvanized chassis for durability and corrosions-free. Electrics are hiding and secure inside of the chassis. Waterproof bearings ensure long service life. Fully covered winch and winch bracket are easy to adjust, to adapt for the boat. Winch bracket is also equipped with additional secure wire to use while the boat is on the trailer. Easy removing of the rear lighting beam makes easy loading and unloading the boat. Illustrations may include optional equipment.
